

Rules for the 2023 JBRL 1/10 Scale Series:

-Points fund is back! \$5 of each entry goes into the point's fund which will be paid out to the top 5 in each class at the end of the series. All money will be divided equally among all classes. For rounds 1-4 we will take \$5 of each entry into the point's fund, for round 5 we will take \$10 of each entry into the point's fund and for round 6 no money will go into the point's fund. This is done so that the money can be ready for hand out at the finals.

-1st entry \$40, each additional entry \$30.

-All 17.5 & 13.5 motors must be ROAR approved and on the ROAR approved list. Certain motors may be taken apart and inspected by the JBRL staff at each round. Top qualifier of each class per round and top 3 finishers in the "A" mains may be inspected.

-Certain ROAR rules will be enforced at the discretion of the JBRL race director & tech crew.

-Fastest single laps/times (rocket round) will be used to qualify a driver into their respective main event.

-Personal transponders are REQUIRED. House transponders are no longer available but we will have a handful of personal transponders for people who don't have a transponder to use at each round.

-All 17.5 & 13.5 class batteries must be under 8.49V.

-2S LIPO's only for all classes.

-NO timing or boost is allowed in the SPEED CONTROL for all 17.5 & 13.5 classes. Timing IS allowed in the MOTOR for the 17.5 & 13.5 classes.

-All 2wd Rookie class motors must be 17.5 max or "ready to run" kit motors.

-No spoilers or wings will be allowed on the short course bodies in all short course classes.

-Awards for top 3 in the "A" mains at each event.

-Awards for the top 10 at end of series.

-Two qualifiers and single mains at each event.

-The number of vehicles in a qualifying race or main event may vary depending on the track/drivers stand size.

-Best 4 races count, 2 throw outs.

-2 car bump up format.

-All "A" mains are 6 minute races. All lower mains and qualifiers will be 5 minutes.

-Racers must attend 4 of 6 races to be eligible for end of series awards.

-Top 3 points finishers in 2wd Rookie, 2wd Spt. 17.5 Buggy & 4wd Spt. 13.5 Buggy at end of series must move up to next higher class.

-No pre-entries, registration the morning of the event, at the track. Most events will have registration the day before.

-Practice from 6am to 8am. Racing begins @ 8:30am. Some rounds may have an adjusted start time based on number of entries and facility regulations.

-For more info call 661-645-1652, visit www.jimmybabcock.com or e-mail race@jimmybabcock.com.

-No chassis sponsored drivers of any percentage are allowed in the Rookie class and no 100% chassis sponsors allowed in Sportsman classes.

The JBRL awards you points for how well you finish in each main event race. Points are awarded as follows:

1st place = 100 points

2nd place = 99 points

3rd place = 98 points etc.

1 bonus point for top qualifying.

1 bonus point for each race attended.

First tie breaker will be your first highest throw out.

Second tie breaker will be you second highest throw out.

Third tie breaker will be who had the most "A" main victories.

Fourth tie breaker will be who had the most 2nd place "A" main finishes, etc.

The racer with the most points in each class, when counting the best 4 out of 6 results, at the end of the season will be crowned the 2023 JBRL champion. Will it be you?
